NOMINATION

Mobility for Placements/Traineeships: The programme is open for students registered in a higher education institution holding an Erasmus+ Charter for Higher Education. The traineeship must be relevant to the participant's degree-related learning and personal development needs and, wherever possible, be integrated into a study program. Nominations are accepted via e-mail from the host institution.

Mobilities for Staff: Academic and administrative staff from ECHE-holding institutions are eligible to participate in **Erasmus+ Staff Training Mobility** at Cappadocia University. However, only academic staff are eligible to participate in **Erasmus+ Teaching Mobility**, and a minimum English proficiency level of B2 is required. Nominations are accepted via e-mail from the host institution.

Mobility for Study: The student study mobility programme can last from a minimum of 3 months to a maximum of 12 months. A minimum B1 level of English is required to apply for the Erasmus Student Study Mobility at Cappadocia University. For the English Language and Literature and English Translation Study programs, a minimum level of English proficiency of B2 is required. All candidates must have their language certifications/letters from their academic coordinator during the nomination process. The language of instruction at Cappadocia University is Turkish. However, English is compulsory for some programs. Additionally, other foreign languages are offered as elective courses for all students. All courses taught are listed in the course catalogue. Nominations are accepted via e-mail from the host institution.
